

Become a Member

Become a Homes for Families member and **strengthen our collective voice of shelter and service providers**. Join our collaboration of families who have experienced homelessness, advocates and other stakeholders to ensure your expertise is brought to bear as we shape policy decisions and offer informed solutions on family homelessness. Through our unified effort we will improve the systems that impact families, support the vital work of your organization, and come together to address family homelessness in Massachusetts.

Member Benefits:

1. **Regular membership e-news** with the latest data, policy updates, behind-the-scenes insight into the policy making process, and current action opportunities on family homelessness.
2. **Timely action alerts with tools to advocate** on issues that impact shelters, and Homes for Families policy advocacy technical assistance.
3. **The opportunity to join our Policy Action Team** and round table discussions that inform ongoing advocacy and communications with DHCD, other state agencies, and the legislature.
4. **Access to discussions, events and surveys** on key topics impacting shelters and families overcoming homelessness.
5. **Discounted or free trainings and presentations** to your staff, board, networks and communities on homelessness and housing, policy advocacy, consumer engagement, and organizing.
6. **Free family trainings including our policy series and speakers bureau to strengthen family engagement** both within organizations and in policy advocacy efforts. We can prepare families for speaking at your agencies' fundraising and legislative events and for engaging in legislative advocacy and media opportunities.
7. **A leadership role in informing Homes for Families advocacy, events, and discussions.**
8. **Access to Homes for Families technical assistance** and support in executing advocacy events in your local community.
9. **A wider platform to promote your agency's successes, events, job openings** and more.

Membership Means:

You are a part of a peer to peer learning community.

You strengthen our collective voice improving the advocacy that impacts your agency's funding and resources for families.

You are a part of the movement to end family homelessness.
